**Time : 3 Hours**

**Full Marks : 100**

**1. Read the following passage carefully and then answer the questions.**

Bangladesh is a country full of natural resources. We are proud of our soil, forests, flowers, fruits and birds. The country is gifted with plentiful of fauna due to its geographical location. Birds are one of them. Today we will read about a bird known as 'Benebau' in Bangla, and 'Blackheaded Oriole' in English. The Blackheaded Oriole is a bird of the plain land of Bangladesh. Its body and head are of a deep yellow colour, its throat, its tail and some part of its wings are black, its beak is red. It looks like a Mayna and is about 25cm in length. It is seen in Bangladesh, India, Sri Lanka, Myanmar and some other countries.

**Choose the correct answer of the following sentences.**

**5×2=10**

- (a) Bangladesh is a country full of natural resources. Here the word 'full' is similar to—  
(i) filled                      (ii) bursting                      (iii) packed                      (iv) complete
- (d) The country is gifted with plentiful of fauna due to its geographical location. Here location means—  
(i) place                      (ii) locality                      (iii) scene                      (iv) setting
- (c) Its body and head are of a deep yellow colour. Which one of the following words is not a synonym of the word 'deep'?  
(i) thick                      (ii) light                      (iii) dense                      (iv) mystic
- (d) The country is gifted with plentiful of fauna due to its geographical location. Here 'pletiful' refers to—  
(i) vivid                      (ii) pleasant                      (iii) numerous                      (iv) perishable
- (e) The Blackheaded Oriole is a bird of the—  
(i) England                      (ii) Finland                      (iii) India                      (iv) Plain land of Bangladesh

**2. Read the text and answer the following questions.**

A proverb says 'Health is wealth'. To keep healthy is to keep free from disease and anxiety. Good health is proper functioning of all body organs. It is also feeling well both in body and in mind. People in good health are active, cheerful and happy. If you are healthy, you can be happy and can help others in society as well. To keep in good health we should be careful about hygiene. The rules and practices of keeping good health are called hygiene. We must practice the rules of hygiene. Proper food and nutrition, physical exercise, rest and sleep, cleanliness, and proper medicare are essential for good health.

**Answer the following questions.**

**5×2=10**

- (a) What does hygiene mean?  
(b) How are the people in good health?  
(c) A proverb says 'Health is Wealth'. What is meant by the proverb?  
(d) Why should we take regular physical exercise?  
(e) What are the essential things to do for good health?

**3. Read the text and answer the following questions.**

The Nobel Prize is the world's most prestigious and Important prize. It has been given since 1901. This prize is given to persons with outstanding contributions to physics, chemistry, literature, medicine, peace and economics. Economics was added to the list in 1969 for the first time. The Nobel Prize was instituted by a man who was the inventor of dynamite. This scientist was Alfred Bernard Nobel. He was born in Stockholm, Sweden on October 21, 1833 and he died in 1896. Though he was a citizen of Sweden, he was educated in Russia. He also left a will indicating that the interest on his money should be given as prizes to persons for their outstanding contributions to physics, chemistry, medicine, literature and peace. This prize was named as Nobel Prize. The first Nobel Prize was given to Rantgen on 10<sup>th</sup> December, 1901 for his inventing X-rays.

- A. Complete the following table with the information given in the passage. 1×5=5

Name of events	Place	Year / Time	Achievement
Alfred Nobel born	(a)-----		
Nobel Prize Instituted		(b)-----	
(c)-----		in 1969	
Alfred educated	(d)-----		
		in 1901	(e)-----

- B. Read the following statements. Write (T) in your answer script if the statement is true. Write (F) if the statement is false and give the correct answer. 1×5=5

- (a) The Nobel Prize is the less prestigious prize in the world.  
 (b) The 'Noble Prize' name is given according to the name of Alfred Bernard Nobel.  
 (c) Alfred Nobel was greatest artist.  
 (d) He died at the age of 63.  
 (e) Alfred Nobel was the 1<sup>st</sup> one to invent X-ray.

4. Read the text below and complete it with suitable words given in the box. 1×10=10

serve	remove	service	human	society
separated	educate	separate	society	removing

Students should not (a)—themselves from (b)—. They can (c)—the society in many ways. Their (d)—is of great importance to society. During vacation they should go to their native village. They can (e)—the illiterate villagers. During a flood they can (f)—the sufferings of the flood, affected people by raising funds. As they live in (g)—they are (h)—beings. So, they are not (i)—from society. They can play an important role by (j)—the illiteracy from the country.

5. Match the parts of sentences given in Columns 'A' and Column 'B' to write five complete sentences. 10

Column—A	Column—B
i) On the victory day I went	i) in a long queue.
ii) I went	ii) many people going there.
iii) Everybody stood	iii) there to pay respect to the liberation war martyrs.
iv) With flowers in our hand we stood	iv) to the Jatiyo Smritisoudho.
v) We saw	v) there with my parents and brother.

6. Re-arrange the following sentences in correct order in your answer script. 10

- (a) But the guests praised Hatem Tai also.  
 (b) Long ago there lived a very kind and generous man in Yemen.  
 (c) The guests praised the king.  
 (d) People praised him more than their king.  
 (e) He was not rich but he was very hospitable.  
 (f) So, the king felt happy and proud.  
 (g) One day the king gave a dinner.  
 (h) This made the king angry.  
 (i) So, the king wanted to have him removed from the world.  
 (j) The name of that man was Hatem Tai.

7. Complete the following incomplete story and give a title to it. 10

Once two friends were passing through a dense forest. All on a sudden, they saw a bear coming towards them. Both of them got afraid. One of them knew how to climb up-----.

8. Write a paragraph on "Our National Flag". 10

9. Suppose, you are Sumi. You do not get good number in the exam. But your cousin Nipa always cuts a good figure in the exam. You want to know how is she doing this. Now, write a dialogue between Sumi and Nipa on how to make a good result in the examination. 10

10. Suppose, you are Sumon and you are a candidate of PEC Examination. Your father works in Italy who wants to know about your progress of studies for the ensuing PEC Examination. Now, send an e-mail to your father telling him about your progress of studies. 10
